NOTICE NO: 19/2022

In terms of Section 84 of the Municipal Structures Act, No. 117 of 1998, Council adopted a Small Scaled Embedded Generation (SSEG) Policy on 31 May 2021.

Customers who are or wishes to connect to systems categorized as Small Scale Embedded Generation (SSEG) of the Municipal Grid, are required to complete and follow the application procedure as stated in the Requirements of our Small Scale Embedded Generation Policy.

Existing customers are given a period of two (2) months from the date of advertisement to submit an official Small Scale Embedded Generation Policy application for Council to consider. The application will be assessed as per SSEG policy requirements. Application forms are available at the main office of Emthanjeni Municipality.

The applications should reach the Municipality on or before 30 June 2022. Failure to adhere to this notification may lead to disconnection, and also the issue of a fine.

For further details please contact Ms Lelethu Thiso on 078 292 8466 or Ms. J.P Jack on 072 602 1653
