

MUNISIPALITEIT EMTHANJENI MUNICIPALITY

KENNISGEWING / NOTICE: NR 103/2014

QUOTATIONS: ACCESS BRIDGE FOR ANOXIC MIXER AND RECYCLE PUMP AT THE DE AAR WASTE WATER TREATMENT WORKS

Notice is hereby given in terms of Section 111 of the MFMA (No 56 of 2003) and Clause 12(1) of the Municipal Supply Chain Management Policy that Emthanjeni Municipality intent to the turnkey design, supply, delivery, transport, crantage, handling, storage, erection, installation, commissioning, testing, adjustment, handing over in complete working order and upholding during the Defects Liability Period of:

- i. **ONE** access bridge for the Anoxic Mixer;
- ii. **ONE** access bridge for the 'a'-Recycle Pump;
- iii. **Alternatively, ONE** access bridge for a Transfer Mixer;

Specifications:

The bridges shall be designed for a uniformly distributed live load of 2 500 N per square metre of walkway area. The bridge shall furthermore be designed with a camber sufficient to completely cancel the deflection, torque and bending moments, which will be produced by the operational loads of the complete bridge with anoxic mixer installed and operational. Allowance shall be made for thermal expansion without imposing undue loads on the existing structures and the Contractor shall be responsible and professionally liable and therefore his design shall be certified by a Professional Engineer.

The bridge shall have a walkway not less than 1,200 mm wide consisting of GRP open grid flooring and equipped with hand and knee-rails, attached to both sides of the bridge.

The bridge shall connect the existing access staircase on the outer perimeter of the aerobic reactor to the anoxic reactor. All design and construction associated with interfacing between the existing structures and new equipment shall be the responsibility of the Contractor under this Contract. Full access to both the mixer and pump shall be provided.

The tenderer shall submit a fully detailed general arrangement drawing with his tender and failure to submit sufficient detail may prejudice his tender.

The following conditions shall apply:

- i. The Council is not obliged to accept the lowest or any quotation and reserves the right to accept any quotation or portion thereof;
- ii. Quotations must be valid for a period of 90 days after the closing date;
- iii. Emthanjeni Municipality's Supply Chain Management Policy will apply;
- iv. Must register on the Emthanjeni Municipality Database;
- v. All documentary proof such as original tax clearance certificates etc. must be submitted along with the quotation;

Quotations received after the set closing time and date will not be considered. **Sealed clearly marked Quotations must reach the Municipal offices, 45 Voortrekker Street, De Aar 7000, not later than 12h00 on Friday, 24 October 2014.**

Further details can be obtained from Mr. D de Jager at telephone no **044 884 1138 or 083 453 4781.**
