Table C2: Monthly Budget Statement – Financial Performance (standard classification)

This table reflects the operating budget (Financial Performance) in the standard classifications which are the Government Finance Statistics Functions and Sub-functions. These are used by National Treasury to assist the compilation of national and international accounts for comparison purposes, regardless of the unique organisational structures used by the different institutions. The main functions are Governance and administration; Community and public safety; Economic and environmental services; and Trading services. It is for this reason that Financial Performance is reported in standard classification, Table C2, and by municipal vote, Table C3.

Table C3: Monthly Budget Statement – Financial Performance (revenue and expenditure by municipal vote)

The operating expenditure budget is approved by Council on the municipal vote level.
