

# MUNISIPALITEIT EMTHANJENI *MUNICIPALITY*

Emthanjeni Municipality would like to inform EMTHANJENI RESIDENTS about status of then Municipal Accounts.

Municipal Greeting,

As you are aware the municipality has been inundated with the municipal accounts queries. The municipality has been hard at work ensuring each and every household receive the accounts as required.

Please be informed that the accounts are available and will be distributed from tomorrow.

The statements are also available at Britstown, Hanover and De Aar Offices. Please note that due to the financial system migration process there might be some errors or discrepancies with the billing and payments allocations.

Any issues identified please visit the municipality so that it can be rectified. We have tried as best as we could to ensure the correctness of the accounts.

We sincerely apologise for the inconvenience caused and we promise to handle all queries with utmost care. Your patience is implored during this process.

Our cashiers will be on standby to address issues and rectify any queries.

Regards  
Emthanjeni Municipality
