# PART 1 - IN-YEAR REPORT

## Section 1 - Mayor's Report

### 1.1 In-Year Report - Quarterly Budget Statement

The Quarterly budget statement for March 2016 has been prepared to meet the legislative requirements of the Municipal Budget and Reporting Regulations.

The audited outcomes for 2014/2015 reflected in this report final as the auditor general has already expressed an opinion on the Annual Financial statements.

#### 1.1.1 Financial problems or risks facing the municipality

There are no financial problems affecting the municipality. Monitoring and implementation of the capital projects remains a priority.

#### 1.1.2 Relevant information

Year-to-date operating revenue realised is 1% below the year-to-date budget for March 2016.

The abnormally high revenue includes the annual property rates and other fixed service charges billed to consumers for the 2015/2016 financial year. As well as operating grants received that exceeds the Quarterly budget the reason for this being that there was no payment schedule available at the time of concluding the budget.

Operating expenditure incurred amounts to 18% below the year-to-date operating expenditure. 33.% of the total capital budget has been spent at 31 March 2016, with 93.9% of that being funded from capital grants.<sup>1</sup>

## **Table C2: Quarterly Budget Statement – Financial Performance (standard classification)**

This table reflects the operating budget (Financial Performance) in the standard classifications which are the Government Finance Statistics Functions and Sub-functions. These are used by National Treasury to assist the compilation of national and international accounts for comparison purposes, regardless of the unique organisational structures used by the different institutions.

The main functions are Governance and administration; Community and public safety; Economic and environmental services; and Trading services.

It is for this reason that Financial Performance is reported in standard classification, Table C2, and by municipal vote, Table C3.

**Table C3: Quarterly Budget Statement – Financial Performance (revenue and expenditure by municipal vote)**

The operating expenditure budget is approved by Council on the municipal vote level.
